

# Peer Evaluation Worksheet

Use this worksheet to assign your peer evaluation points among group members based on the **quality** and **quantity** of their contribution to the group work. You may simply print out this page and fill in the blanks before turning it in.

1. How many members in your group?   4  

2. Multiply the result of line 1 by 100   400  

3. Write the names of each group member in the table below:

4. Divide the points in line 2 among the group members listed in the table based on the amount they contributed to the final project. Write these amounts next to each person's name in the table (column 2)

| Names of Group Members (list all)                             | Points Assigned |
|---------------------------------------------------------------|-----------------|
| 1. Abot Mayen Deng                                            | »125            |
| 2. Nancy Gachee                                               | »105            |
| 3. Bonnie Jessica                                             | »90             |
| 4. Jeanne Muhimpundu                                          | »80             |
|                                                               |                 |
| <b>TOTAL POINTS (Write the number in line 2 here)</b><br>»»»» |                 |
